Fish Ark 2

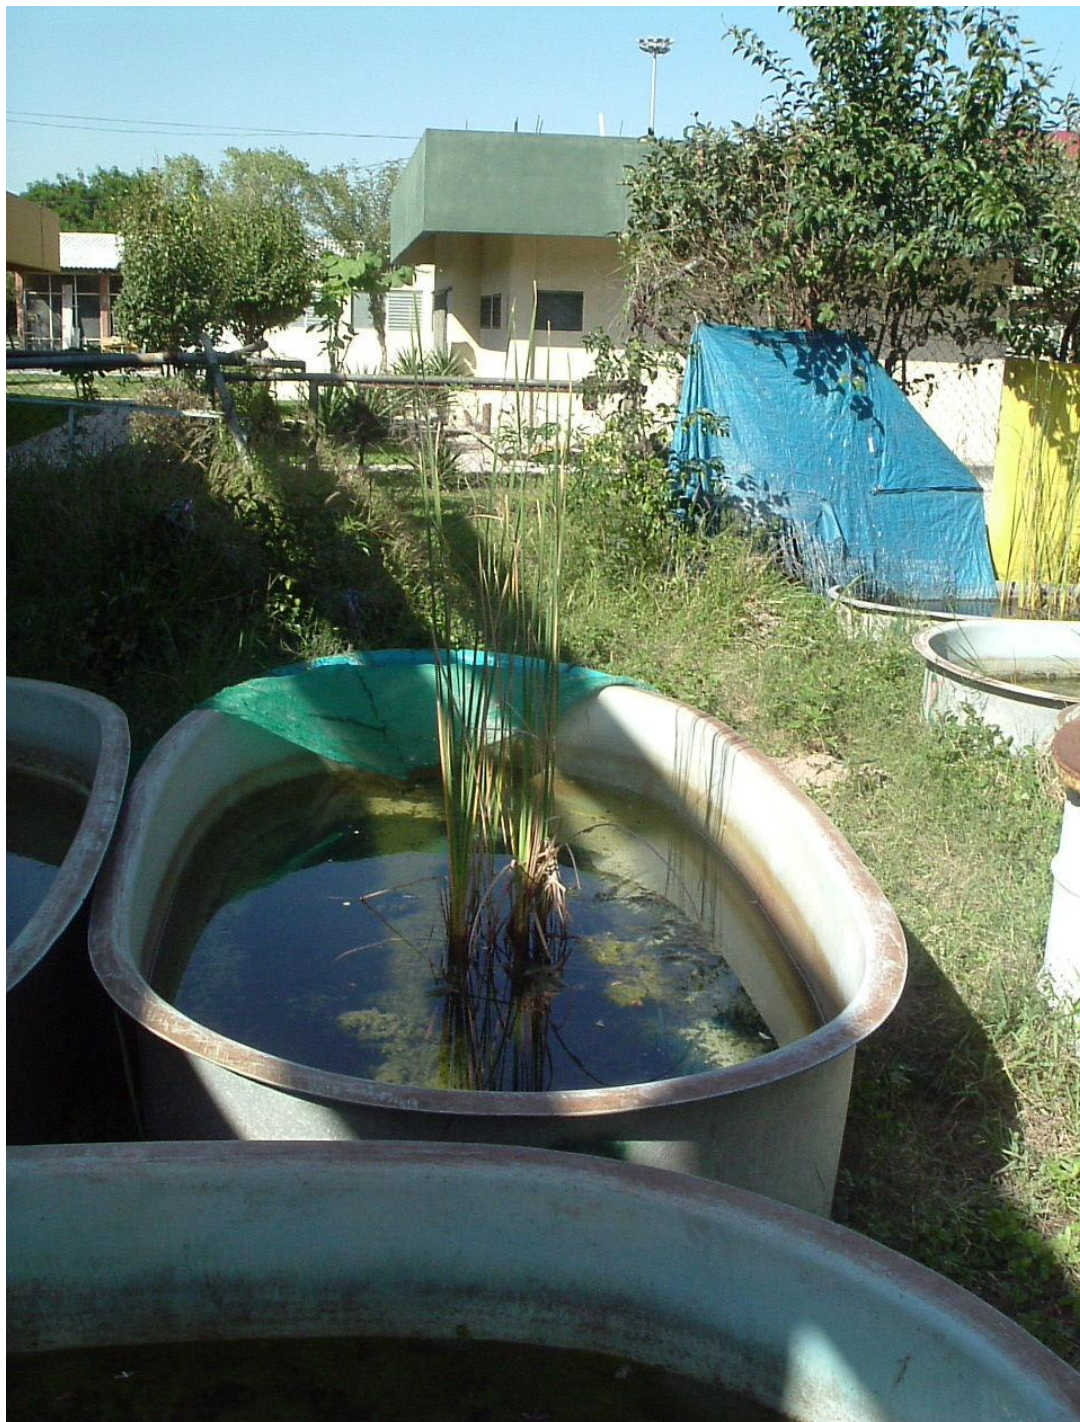

A photograph of the entrance to Parque Natural La Estanzuela. A dark, rectangular stone sign with a white plaque in the center is the focal point. The plaque has the text 'PARQUE NATURAL' on the top line and 'LA ESTANZUELA' on the bottom line. To the left of the sign is a tall, narrow brick pillar. To the right is a tall, thin white pole. The background is a dense green forest on a hillside. The foreground is a gravel and grass area next to a paved road.

The image shows the entrance to a park. A stone archway frames a red metal gate with vertical bars. Two dark stone plaques with white lettering are mounted on the gate. The background shows a lush green park with trees, a body of water, and a building in the distance.
